

Orienteering NSW

Newsletter of the Orienteering Association of N.S.W.

Issue No. 218

www.nsw.orienteering.asn.au

June 2009

Annual General Meeting

The 2009 AGM was held on 19 March attended by representatives of the clubs. Following adoption of the Annual Report there was an election for the Board of OANSW for 2009. Some of the vacancies from the meeting have subsequently been filled and only the Special Projects position is currently vacant.

Your 2009-2010 Board:

President - Paul Prudhoe CC
Secretary - Dave Lotty UR
Finance Director - Robert Spry BN
Planning Director - Nick Dent CC
Special Projects Director - vacant
Technical Director - Glenn Meyer SH
Communications Director - Alex Davey WR
Coaching Director - Mark Darvodelsky UR
Promotion Director - Felicity Brown BN

NSW Schools Orienteering Championships

At the May Board Meeting it was agreed that the NSW Schools Championships needed to be fixed in the state's orienteering calendar. Not only would the date be fixed but so would the venue for a trial period. In 2010 the Championships will be held in August on a Belanglo map. It was seen as important that the Schools Championships were not held in school holidays or on the first week of term.

There were a number of considerations leading to these decisions.

The Championships need to be near population centres to attract children who are occasional orienteers. At a later date, this could include the Hunter and Lithgow areas.

Belanglo (The Hut) provides cheap accommodation and is close to a variety of suitable maps.

There are many clubs, representing regions, running Schools Series and Schools Regional Championships (Gala Days) during the winter school terms. Therefore the State Championships need to provide the opportunity for these events to feed children to the next level of competition.

The event can be doubled up with another event such as the Sydney Orienteering Series or a State League event.

It is accepted by clubs that schools rarely initiate orienteering events. It is clubs and orienteers in schools who put time and effort into promotion of the sport to juniors.

At a local level, schools can be motivated to attend a Regional Schools Championship. This in turn should result in top regional performers being invited to participate in the State level competition. This is a structure common to most other sports. This structure also provides the opportunity for the Junior Training Squad coaches to select suitable children for more advanced training.

The proposed structure is:

Orienteering in Schools-throughout the year

Certificates on display at the 2009 Schools Championships at Oallen - photo Karen Hagen

Regional Schools Championships-May / June. Participants represent their individual schools. A champion school can be decided at this level.

NSW Schools Orienteering Championships-August. Participants represent their school region not their individual schools. A champion region can be decided at this level.

Australian Schools Orienteering Championships-October/ November. Participants represent their state not their individual region. A champion state is decided at this level.

More information will be sent out to club Presidents and Secretaries later in the year. It is hoped that this structure will encourage greater participation at all levels from club to national level.

Lyn Malmgron
Development Officer

SportIdent Workshop

There has recently been interest in finding out about the SportIdent system and how it works from the point of view of the organiser. To assist in this, the Association will conduct a workshop on new developments in SportIdent and the new SportIdent Manual.

Date Sunday, 12 July, 2009
Time 10am to 3pm
Venue Sports House,
Sydney Olympic Park -
Tasman Room (Ground
floor, near reception)

To book a place at the workshop contact Lyn Malmgron at:
lynmalmgron@pacific.net.au

Handicaps - New in 2009

Each year OANSW conducts an "orienteer of the year" competition based on a series of state league events. This is a great competition but is contested by only the best orienteers in each age group. Many orienteers attend to achieve good goals or just for the joy of the sport.

To add a bit more interest to the state league events, OANSW will run a handicap based "State Point Score" in conjunction with the orienteer of the year competition.

The key points for the handicap point score are:

- The handicap point score is being run on a trial basis for the 2009 season. This will allow the OANSW to assess the level of interest and for the rules and handicap system to be fine-tuned to iron out problems.
- Each S/L event is a round of the handicap point score.
- The competition is being run on a course basis. Each S/L course is a class for the pointscore. That is, you will be competing against all competitors running

the same course as you regardless of age class or sex. At S/L events where courses are combined, for example Red 1/2, you are deemed to have run on the course your S/L class contests at the state championship.

- Every orienteer will be given an individual handicap based on their personal performance. This is different to previous handicap events that have been based purely on age class and sex.
- Initial handicaps for 2009 are based on the results for 2008. If you did not compete in 2008 you will be off scratch for your first event in 2009. Competitors who have competed in less than three events or have changed course have been given a provisional handicap, which is subject to change until three events have been completed.
- Handicaps are expressed as a percentage. This percentage is

the portion of your actual time that constitutes your adjusted or handicap time. For example, if your actual time is 60 minutes and your handicap is 80, your adjusted time is 80 percent of 60 minutes which is 48 minutes. The best possible handicap is 50%.

- Points are awarded following each event based on adjusted or handicap times. 12 points for the shortest time, 10 points for second, 9 points for third down to 3 points for ninth. All other finishers receive 2 points and non finishers and those who miss punch receive 1. No points are awarded for a "did not start" or disqualification.
- Your total score for 2009 is the sum of your best 8 results.

If you would like more information on the handicap pointscore or you would like to comment please track me down at an event and have a chat. If you think this is a good initiative then make sure you let a board member or your club delegates know.

Gordon Wilson.

The Orienteering Association of NSW Acknowledges the support of

10 to 18 October 2009

2009 World Masters Orienteering Championships Sydney and Lithgow

The World Masters Orienteering Committee which is organising this world event on behalf of OANSW would like to make another request to all NSW orienteers to support the event. This will be the largest orienteering event ever held in NSW. We will have well over 600 overseas competitors travelling to Australia to compete in this event.

You can support this event in two ways.

1. By entering the event and experience some world class competition in your age class in your own state. This is a very rare opportunity for you.

2. By volunteering to help in some small or big way with the organisation that is required to put on 5 events during the eight days. We need orienteers to assist in the following areas- Start marshals, Arena setup and movement, Parking (only in Lithgow), Control monitors in both sprint events, Control collection after events, Event centre at Lithgow, Truck driver, Water controls, etc.

You can both compete and be a volunteer. We can co-ordinate your assistance around you competing.

Volunteer by going to the World Masters Games website and have a once in a lifetime experience www.2009worldmasters.com

When you register nominate orienteering as your sport and this information will flow through to me

and I will be in touch to talk about your assisting role in the World Masters.

Also by registering you will be entitled to the following:

- Sydney 2009 World Masters Games accreditation pas and sports bag
- Free public transport on Sydney trains, ferries and busses
- An allocated seat at the Sydney 2009 World Masters Games Opening Ceremony
- Entry to the Sydney World Masters Games Closing Ceremony
- Access to the Sydney 2009 World Masters Games social hubs
- Entry to the Sydney 2009 World Masters Games Health and Lifestyle Expo
- A souvenir style Sydney 2009 World Masters Games Commemorative Program
- A discount booklet for use at selected Sydney restaurants and tourist attractions
- A certificate of participation
- Uniform and sunscreen
- Meals/refreshments whilst on duty
- Access to free of charge parking allocation

Nick Dent
Event Director

This newsletter is published in January, March, June, September and December. Copy deadlines are 22 December, 15 February, 15 May, 15 August and 15 November respectively.

Optional Electronic Newsletter

This newsletter has been prepared in both hard-copy and electronic versions.

With the recent membership renewal members were given the opportunity to advise which form they wanted the NSW Newsletter and Coming

Events pages (The Australian Orienteer magazine will continue to be provided in printed form and posted to all full members). If you wish to change the way you receive the newsletter, contact the office at orienteering@sydney.net

NSW E-Bulletin

Every (or almost every) Tuesday throughout the year Neville Fathers produces an electronic bulletin of news items and notices, which is

emailed to any members requesting it. If you are on the list you would be receiving these regular bulletins. If you aren't getting them but want to be included, email Neville nevlyn@zeta.org.au and he will add you to the list.

NSW Relay Teams for AIRE Champs

Entry for these is included with the AUS Championships Carnival entry. The organisers will provide OANSW with a listing of NSW entries and the NSW Selectors (Robyn Pallas, Hilary Wood, Geoff Todkill) will then put the entrants into teams. They will try to select one or two good teams in each class and then assemble the others on the basis of clubs. A preliminary listing

will be sent out with the NSW e-bulletin in mid-September and will be on our website.

The selectors will be the team managers at the Championships, so you will need to contact them about your team running order and to obtain your competition numbers. It is presumed that the numbers will be available at the AUS Championships on the Saturday.
