March 2010

Let The Show Begin

As Summer draws to a close, and with only a few Sydney Summer Series (SSS) events left to be enjoyed, for many orienteers March sees the beginning of the traditional "Bush Season".

But before we put our running shorts away for another 6 months, there are still a few SSS events to be run and won, and by the time this newsletter is published the new Sydney Sprint Series will have been concluded. The Association is grateful to Garingal's Ross Barr for once again coordinating this season's SSS and to Bennelong's Terry Bluett for organising the Sprint Series with the support of the Sydney clubs. It is hoped that those who competed in the Sprint Series enjoyed the challenge as much as competing in the SSS and also enjoyed the use of SportIdent (SI) for timing. What would competitors think of using SI for the SSS?

March also sees the Association hold its AGM - an opportunity for members to consider becoming a member of the Board and assist in the running of Orienteering in NSW. While the AGM is an opportunity for the Association to review the previous year, more importantly it gives the Association an opportunity to consider the year ahead as to what needs to be done to allow the sport to continue to develop and prosper in NSW. The challenge ahead of increasing membership and participation is one previously considered and discussed at the November's Association meeting, and the AGM will see the next stage of the plan being released for the Association's consideration.

The bush season ahead looks to be an interesting one with the first two State League events taking place at Clandulla, the area used for last year's World Masters event. Hopefully this will give everyone who was unable to compete at the World Masters events the opportunity to compete in this magnificent terrain. Not long after sees a round of the National Orienteering League being held in NSW in May, while in June there is the opportunity to return to Dubbo for QBIII and to enjoy the challenges of Sappa Bulga as used for JWOC in 2007. While later in the year we can look forward to the NSW champs on a new area west of the Blue Mountains on a map being prepared for Garingal Orienteers by Alex Tarr.

So, let the show begin, and I look forward to seeing you all somewhere in the bush over the coming months.

Regards
Paul Prudhoe
